PRODUCT WARRANTY

Build n Wrap Ltd guarantees a full six month warranty covering manufacturing and material defects. This covers products purchased from authorised Build n Wrap retailers only. The warranty only covers damages that are not caused by accidents, inappropriate use or wear and tear. Depending on the degree of damage to the warranted product, the feasibility and the availability of replacement parts, the individual part or parts will either be repaired or replaced. This warranty service is free of charge and does not affect your statutory rights.

The damaged product should be returned to the authorised Build n Wrap retailer from which it was purchased complete with proof of purchase. They will return it to Build n Wrap headquarters. If purchased directly from www.buildnwrap.com, it should be returned directly by post to our head office. If products are sent by post, you should include a letter explaining in full the reason for your returning the part. It should also be sent by certified mail, as Build n Wrap cannot be held liable for damage, loss or theft occurring during transport. The warranty is valid for a period of six months, from the date of purchase. Please keep the delivery receipt as it serves as a warranty for products purchased from the online shop.
